Celebrating Faith & Faithfulness in all its diversity

Your Contribution

The United Reformed Church has professed to being a **Multicultural Church**. A key implication of this declaration is that we desire to be a church committed to empowering all towards, just, inclusive, renewing and transforming mission and ministry

The **United Reformed Church Multicultural Celebration 2009** is about gathering together to be inspired by each other's stories and cultures. We all have stories and we are all cultural beings. Here is an invitation to discover and celebrate our diverse spirituality and ethos, to share each other's experiences (and cultures), to deepen cross-cultural understanding, to network and to develop bonds of friendship.

This is an opportunity for **ALL** United Reformed Church congregations to come and share ideas and celebrate the rich cultural diversity that exists in the church and society.

For this reason we invite you to prepare an item/performance that expresses your culture and faith (**preferably 5 minutes, but maximum 10 minutes**) that **ALL** can enjoy. It can be drama, dance, song, poetry or ... any way you see fit.

Please let us know by the **16th July 2009** if you are able and willing to contribute an item. For further information kindly contact: 020 7916 8655; email: racial.justice.mm@urc.org.uk
